

## Texas Hold'Em Bad Beat Jackpot General Rules

1. The Bad Beat Progressive Jackpot shall apply to the game of Texas Hold'Em only. To qualify for the Bad Beat, a hand of Four of a Kind or better must lose to a higher ranking hand that must either be Four of a Kind or a Straight Flush or Royal Flush.
2. Both the winning and losing players must use both of their hole cards to create the highest possible hand. For four of a kind to qualify, the player's hand must include a pocket pair.
3. A \$2.00 maximum amount will be removed from each pot that totals \$20.00 or more including the rake, \$1.00 when the pot reaches \$10.00 and an additional \$1.00 when the pot reaches \$20.00. In order for a hand to be eligible for the Bad Beat Payout, the pot must be at least \$10.00. The hand must go to a showdown (played to the end, where all cards have been dealt and players have completed betting and show their cards to determine the winner) in order for the jackpot to be awarded.
4. There must be a minimum of 4 players at the table (No Jackpot rake will be taken with fewer players).
5. All qualifying hands are eligible to share in the Bad Beat Jackpot, even if two or three losing hands would qualify. For example, if the final board reads 10h Jh Qh Js Qs and 8h9h for a Queen-high straight flush, Ah-Kh for a Royal Flush, Jc-Jd for four Jacks, and Qc-Qd for four Queens were shown down at the end of the hand, all of these hands would qualify for and share in the Bad Beat Jackpot.
6. Players must play their hands independently. If any player, whether directly or indirectly involved in the hand, passes information or instructs another on how to act or reveals their hand to other players, the Jackpot will be disqualified.
7. A player who removes his or her chips from the game prior to a showdown on a hand where a jackpot is won forfeits his or her right to any prize money.
8. In the rare occurrence of a Bad Beat Jackpot being hit on more than one game at the same time, and surveillance verifies that both hands completed the showdown at the exact same time, which is defined as all remaining players placing their cards face up on the table, the total jackpot will be divided by the number of Bad Beat winning games and the jackpot will be distributed on each game according to the percentages set forth in rule E below.
9. Players are eligible to win the posted Jackpot amount. Such amount will be updated once every gaming day.
