

# FACE UP PAI GOW

Face Up Pai Gow Poker™ features head-to-head play against the dealer and offers two optional side wagers, Fortune Bonus™ and Ace-High. As in standard Pai Gow, each player and dealer receive seven-cards, but in Face Up Pai Gow Poker the dealer's cards are dealt face-up. Face Up Pai Gow Poker is a commission-free game. However, when the dealer plays Ace-High Pai Gow, all Face Up Pai Gow wagers will push.

## GETTING STARTED

To begin each round, make a standard Face Up Pai Gow wager. You may also make your optional Fortune Bonus or Ace-High wagers.

## FORTUNE BONUS

The Fortune Bonus bet wins if your best possible five-card hand is straight or better. If you wager at least \$5 on the Fortune Bonus, the dealer will place an "envy" button next to your bet. This qualifies you for an envy bonus payout. See pay table for odds.

## ENVY BONUS

The dealer pays any envy bonuses at the end of the round. If at least one player receives a hand that qualifies with a four-of-a-kind or better, all players with envy buttons win. You can win multiple Envy Bonuses in a round, but you CANNOT win an Envy Bonus for your own hand or the dealer's hand.

## ACE HIGH

This bet wins if the dealer is forced to play an Ace-High Pai Gow. See layout for odds.
